## New Program

Calling all Labour Lawyers. Learn the tricks and traps of production and how to use exhibits to your advantage. Walk away with top tips to persuasively frame your story in examination-in-chief. Watch a live demonstration by noted labour practitioners of a cross-examination in an arbitration and then hear directly from a panel of arbitrators about how to make effective opening and closing statements. Stay for the afternoon **learning-by-doing** skills workshop and get on your feet to practice cross-examining a witness at a labour arbitration.
