Our popular speed mentoring format lets you meet a variety of mentors, grab top tips and make lasting connections along the way. The dinner will be tapas style. Mentors will rotate at each course, allowing you optimal opportunity to hear different perspectives and insights throughout the evening. (See registration form for special meal request information).

### Build it They Will Come – Thursday, February 16, 2017

Reputation is everything. You are getting on track for a successful legal career, but how do you develop reputation? Mentors in a firm like yours (big, small or solo!) will listen to your concerns and offer tips on how to build your reputation within your firm, your network, and in court. How do you market yourself and build your business? What makes for a strong client relationship? Can you learn to maintain your "self" in the age of the client's revolution?

### Facing the Fear Factor – Thursday, May 25, 2017

As a junior lawyer, it's natural to feel intimidated by more senior counsel, to feel nervous in a new setting or when presented with new challenges or tasks. Join us for an empowering evening of discussion on how to maintain your composure and hold your own in the office, at discoveries, in negotiations or at hearings using style and grace.
